

Ambu® aView™ 2 Advance (Gen. 2)

Portable, Powerful, and Versatile

Ambu aScope Single-Use Endoscopy Platform

Bronchoscopy Rhinolaryngoscopy Cystoscopy

aView 2 Advance (Gen. 2)

Combining Display Portability and Power with Single-Use Endoscopy

Portable - Easily transport the lightweight monitor on an IV pole with the flexible bracket or carry it using the built-in handle.

Plug and Play - See a live image within seconds of powering and take advantage of over three hours of unplugged battery-life freedom.

Easy Connection EHR - Connect the aView 2 Advance (Gen. 2) monitor to the hospital network using Wi-Fi or via Ethernet and easily import your daily worklist and export procedure files directly to PACS for each patient.
